Interior

Bringing ideas to life is at the core of our business. Together we are a highly skilled team of designers, makers and tradespeople. From start to finish we ensure that every element of the process is carried out to the best of our ability, regardless of budget. From design project management, right through to finishing and installation. We are catering to the interior Decoration needs of the quality conscious clients. The aim was clear right from the inspection quality service and customer satisfaction were to be the joint motto. This very motto has helped us through the period when the customers has become more and more demanding and choosy. We look back with pride at the long list of the highly satisfied, distinguished customers, who now not only entirely depend on us for all their requirements, but also keep recommending us to their friends and acquaintances. This has been possible because of the remarkable skill and preparedness of our work force and technical personnel to take on any job assigned to them with professional ease.

**“WE PRIDE
OURSELVES IN OUR
ATTENTION TO
DETAIL.”**

Landscape

ARMS Construction Co have developed a strong reputation as a market leader in delivering landscape design projects to a high standard, from initial sketches through to the completed built form. Over the years, the Landscape Architecture division has delivered a number of challenging and exciting landscape design projects, including healthcare facilities, large-scale subdivisions, retirement villages, schools, parks and reserves, high-end residential and commercial design. Our impressive portfolio of work spans nation-wide in both rural and urban settings. Our team have an intricate understanding and knowledge of the local environment developed through years of experience, research and continued professional development. We have a proven track record of innovative and creative design solutions, with many awards and accolades to our name.

Health, Safety & Environment

We strive to align our own business practices and principles through the projects we deliver to our clients. The safety of our people and the communities in which we operate always comes first. We believe that our long-term success as a business is dependent upon the ability to keep our workforce and members of the public safe. Our philosophy is to continually strive for a 'Zero Harm' environment. Accordingly we enforce very strict health and safety procedures throughout our operations, in the belief that all accidents can be avoided by implementing robust risk elimination protocols. Each operation assesses further controls that may be required to manage the specific risks at their operation to meet the objective of no fatalities.

Our Commitment to Safety

We take safety very seriously and are constantly improving our policies and procedures to ensure a safe work environment. We employ safety officers to ensure that all policies and procedures are adhered to and that our zero harm targets will be met. Safety is our first priority at every stage throughout our projects from the design and planning stages through to completion. We have achieved the Federal Safety Accreditation under the Australian Government Building and Construction OHS Accreditation Scheme.

Our Target is Zero Harm

At every level our workforce is making zero harm safety our main objective. Our commitment is to provide a safe work environment for our employees and for everyone who visits our work sites. Our senior management team have a commitment to ensuring that our employees, the public and the environment are safe at all times. Our ultimate goal is to reach zero harm in our workplace.

Safety Strategies

Ongoing supervision and training. Incident reporting and investigation. Daily Site Safety Toolbox Meetings. Newsletter updates detailing health and safety issues.
